CTU Bern is the clinical trials unit of the Faculty of Medicine of the University of Bern and works closely with the affiliated university hospital. It functions as a service unit to support and coordinate investigator-initiated clinical studies in any clinical field.

Duties and responsibilities
- Independently prepare, validate, and analyze data of clinical studies (observational studies, randomized-controlled trials, meta-analyses)
- Develop statistical analysis plans of clinical trials
- Support other members of the division and external clients in data analysis and interpretation
- Contribute to the design and development of observational studies and clinical trials. Perform sample size calculation
- Contribute to final reports and manuscripts for publication of research projects as well as research grants for new projects
- Teaching of clinical investigators and study nurses

Qualifications and skills
- University degree in (bio) statistics (PhD, MSc, MAS) or equivalent
- Thorough experience in the analysis of clinical studies using statistical software
- Knowledge in methodology of clinical and epidemiological studies
- Very good knowledge of English, good knowledge of German
- Ability to work cooperatively in a small team, as well as independently, attention to record keeping, detail and quality
- Strong interpersonal and written communication skills and excellent organizational skills
- Experience in Bayesian analysis or proficiency in using Stata or R would be an asset

We are offering an interesting position with diverse activities in a growing clinical trials unit with the chance to contribute to the successful development of CTU Bern. The organization is dedicated to high quality research and active career development. It provides an international academic environment and operates with interdisciplinary teams.

We are looking to have the successful candidate in place as soon as possible. The salary of the position is based on the salary scale of the canton of Bern.

For further information on the position advertised, please contact Dr. Andreas Limacher, Tel. +41 (0)31 631 35 10, andreas.limacher@ctu.unibe.ch or http://www.ctu-bern.ch.

Please send your application including a Curriculum Vitae to Human Resources administration: hr@ctu.unibe.ch.
